Dear Rector,

Due to your constant and active interest in scientific research and innovation at national and international levels, demonstrated by our time-honored cooperation between our institutions, I cordially invite you and your academic community to participate in **SEA-CONF 2023** – The 9th Edition of the International Conference, organized by “Mircea cel Batran” Naval Academy of Constanta, between 18-19 of May.

The Scientific Bulletin of “Mircea cel Batran” Naval Academy, indexed in IDB such as SCOPUS, Ebsco, DOAJ, ProQuest, OAJI, JIFACTOR, will welcome your papers (related to military sciences, navigation and maritime transport, engineering sciences: mechanical engineering, electrical engineering, engineering and management, fundamental and human sciences) which will also be published in the Conference Proceedings.

In the hope of continuing the cooperation between our institutions, I am looking forward to having you as our guests.

Respectfully,

Rector (Commandant) of the “Mircea cel Batran” Naval Academy
Captain (Navy) Associate Professor Alecu TOMA, Ph.D
