

Company Profile

TenarisSilcotub is leading Romanian producer of small diameter seamless pipes used in the mechanical industry, automotive, oil and gas, chemical and petrochemical industry, and power industry.

TenarisSilcotub can design, manufacture and supply a wide range of seamless tubes according to customers requirements, in order to meet the most sophisticated demands and to provide technical assistance and product development, logistic services and just-in-time delivery and personalize stock management.

Our locations in Romania are: **Zalău, Cluj-Napoca, Câmpina, Ploiești, București, Călărași.**

Internship Program

The **Internship Program** is a great learning experience for students completing their professional studies. This program is designed to give students real work experience by offering challenging assignments in different areas, in a people-oriented culture that values individual initiative.

Roberto Rocca

TenarisSilcotub is a sponsor of the **Roberto Rocca Education Program** in Romania, which provides Scholarships to outstanding students of engineering and the applied sciences.

Roberto Rocca Scholarships are granted to undergraduate engineering students in Argentina, Brazil, Canada, Colombia, China, Ghana, Guatemala, Italy, Japan, Mexico, Romania, UK, USA, Uruguay and Venezuela.

The scholarship is awarded for one year and the total value is 2400 euro/year. The scholarship winners have no obligation to work in TenarisSilcotub.
